o mi wan

*squaring intuition's circles for everyone*

# what is o mi wan?

---

an opportunity to invest ...

---

... in making something we  
all *mostly don't trust* ...  
work REALLY well: *intuition*

An aerial photograph of a winding asphalt road through rolling green hills. The road curves through the landscape, and a small car is visible on one of the curves. The hills are covered in lush green grass, and the overall scene is bright and scenic.

what is  
omiwan's roadmap?

An aerial photograph of a winding asphalt road through rolling green hills. The road curves through the landscape, and a small blue car is visible on it. The hills are covered in lush green grass, and the overall scene is bright and clear. Overlaid on the center of the image is white text.

first, the operating system  
and the user interface

---

# platform genesis

source your genius

a: platform genesis

a new *operating system* designed to  
support totally private thinking spaces

[platformgenesis.com](https://platformgenesis.com)

# The Philosopher Space

#NOTthepanopticon

b: the philosopher space

the *user interface* which everyone can use to become the "i" who's better than their team

[thephilosopher.space](https://thephilosopher.space)

An aerial photograph of a winding asphalt road through rolling green hills. A small car is visible on the road, and a white horizontal line is drawn across the bottom of the text area.

second, **citizen hunch** (the citizen crime-awareness app) and **crime hunch** (the law-enforcement and national-security platforms)

# citizen hunch

bold, brave, voiced and listened to

c: citizen hunch

a new *secure, private, and safe-to-use* app  
designed to let ordinary citizens test how  
criminal their neighbourhoods really are

[citizenhunch.com](https://citizenhunch.com)

# Crime Hunch

we reverse-engineer creative criminality

d: crime hunch

a new *secure, private, and safe-to-use software platform* designed to make it possible for law-enforcement and national security professionals to think as creatively as the most dangerous criminals

[crimehunch.com](https://crimehunch.com)

# what is o mi wan again?

---

an opportunity to invest ...

---

... in making something we  
all *mostly don't trust* ...  
work REALLY well: *intuition*
